

International
An Aerocare Group Company

Approvals
EASA Part-145 (UK.145.01-41)
EASA Part-21G (UK.21G.2597)

To Whom it may concern

2nd April 2020

Please accept the following statement as confirmation Aerocare Chemical products utilising our micro-biocidal technology are currently fully compliant for sale in all countries adopting European BPR Regulations.

Statement:

Aerocare 1-03 is 100% compliant with the EU Biocidal Products Regulation (NPR, Regulation (EU) 528/2012). It is suitable for use in PT2 disinfection.

Yours faithfully

David Hickson
Managing Director
Aerocare International Ltd
